

What adults say about LOVEtennis

"Both my son Tristan and I are being coached by Christian. Tristan has gone from losing every single match to winning practically most of them within 6 months. He is now hitting with consistency, accuracy and power. In his own word Christian is mega-fun, motivating, knows how to explain complex technique and strokes, in one word: brilliant! After every class Tristan says to me: I wish I could play every day..."

I highly recommend Christian to anyone seriously trying to improve, his results are amazing!! He has an exceptional ability to bring out the best in children. As for myself, I find that after a short time I improved my game by focusing on form and technique.

It's so great to work with a tennis coaching professional who really understands and is able to convey the technical aspect of an effective stroke."

Patricia Marnitz

"Christian and his Team have a wonderful enthusiasm for the game, and makes it fun for the kids. Christian's positive attitude lights up the court even when the weather is cold, damp and grey!"

Tennis Mum to three Top County Juniors

Edda Amon

"It's been my great fortune to have Christian as my coach. He has a unique coaching style. His classes are structured & focussed so that the technique becomes embedded & natural. I've never come across a coach before who practices totally what he preaches so there's always a mirror image of what you're trying to achieve. On top of this his enthusiasm, encouragement, endless patience & support are matched by his wonderful sense of humour. The future of tennis is in safe & exciting hands with coaches like Christian"

Hilary Richards

"Christian is a very experienced and talented coach who has the unique skill to bring out the best in players. His on-court success can be measured by the amount of enthusiasm the kids bring on to the court on a daily basis! he is head and shoulders above everyone else I have ever worked with.

Michael O'mara

"Christian has coached my family and I for over 6 years. To my children he is a part of weekly life and he is thought of like a member of the family. Between my son and I we must have had at least 10 coaches so we believe we have a basis for comparison. Christian is the best all round coach and we would all attest to his consummate professionalism, charm and excellent character"
