

Adult Sessions

Our Adult sessions run throughout the week and combine technical and tactical coaching followed by an opportunity for you to practice your newly learned skills with rallies and match play.

Sessions cater for different standards and run for 2 hours. Players find the sessions highly enjoyable and rewarding.

At LOVEtennis we take great pride in seeing our adult players improve.

We certainly do not believe that age is a barrier to learning to play better tennis. All our adults benefit from a professional, informative and patient approach to coaching that WILL improve your game!

We have a fantastic programme for all players ranging from beginners to top club standard.

So come join in at Chiswick Tennis club and take part on our fun and friendly adult sessions.
